Riley Chosen as Legislator of the Year by the Illinois Association of County Board Members and Commissioners

SPRINGFIELD, IL – State Rep. Al Riley (D-Olympia Fields) received the Legislator of the Year Award from the Illinois Association of County Board Members and Commissioners (IACBMC).

“I am honored to receive this award,” Riley said. “I believe strongly in advocating for the rights of local government. I will continue to be an active voice for the needs of county governments throughout the state.”

The Legislator of the Year Award honors state lawmakers who have shown consistent support of county government issues. It is the mission of the IACBMC to enhance the stature, role and responsiveness of county government in the state of Illinois. IACBMC promotes the ability of Illinois counties to provide responsible public service through cooperative legislative action, education of public officials, provision of quality member services and programs, and increasing public awareness of issues important to county governments.

Riley will be presented with the award on Tuesday, April 29 at 10 a.m. The ceremony will be held at the Crowne Plaza hotel in Springfield, located at 300 S. Dirksen Parkway.

“Our organization truly appreciates the hard work that Rep. Riley has done for local governments throughout his term in office,” said Kelly Murray, IACBMC Executive Director. “Often the needs of local government can be overlooked at the state level. Rep. Riley has always been willing to listen to our concerns and bring forward issues important to our members.”
