

**Illinois State Representatives Will Davis and Al Riley with the Chicago Jobs Council will hold an information session on:
The Urban Weatherization Initiative**

The Urban Weatherization Initiative is a \$425 million program administered by the Illinois Department of Commerce and Economic Opportunity (DCEO) to improve energy efficiency and reduce costs in disadvantaged communities, create jobs and increase skills for the under/unemployed and stimulate the local economy. The administration of the program will be explained and questions will be answered.

Speakers:

Karin Norington-Reaves
Deputy Director
Office of Urban Assistance, DCEO

Jesse Martinez
State of Illinois Capital Development Board

**Thursday July 15, 2010
10 A.M.**

East Hazel Crest Village Hall
1904 W. 174 Street
